## The Islands

---

Listed below are the bodegas featured in the full published España Vino E guide sorted by Autonomous Community and wine region. Those listed under **The Bodegas** have a full profile with recommended wines; which each have a rating, a price guide and grape varieties used to make the wine. **Additional recommended bodegas and wines** include bodega recommendations of wines; again with a rating, a price guide and grape varieties used to make the wine. These bodegas are due for update to full profiles. **See also** shows cross references where a bodega makes wine away from their home base. This directs readers back to the bodegas home region and helps navigation around the guide.
